## Community Updates

### Membership Day Was a Wonderful Day!

In September, Delton hosted our annual Membership Day, bringing neighbours together for an afternoon of food, activities, and community connection.

Everyone who joined us was treated to free hot dogs and hamburgers, crafts, face painting, and Kona Ice. One of the highlights of the day was welcoming CaribFlaymz, who put on a fantastic performance and gave kids the opportunity to try stilt walking for themselves!

It was wonderful to see kids learning something new and to have the chance to connect with both familiar faces and neighbours we were meeting for the first time.

A big thank you to everyone who came out, volunteered, performed, and helped make the day possible. We loved spending the day with you and look forward to seeing you at the next Delton event!

# Volunteering

Volunteers are at the heart of so much of what we do at Delton. By helping with our monthly bingos and occasional casinos, volunteers bring funding directly back into our community, allowing us to offer affordable and sometimes completely free programs and events.

Volunteering at Delton is about creating moments we love: kids laughing and having fun, neighbours meeting each other, and a hall full of people enjoying everything from soccer watch parties and Halloween celebrations to line dancing and community programs. And you don't need to make a big commitment! Give an hour at an event by making popcorn, painting faces, helping set up, or sharing a hobby or skill. You can also become a Block Connector, a friendly point person for your block who helps neighbours get to know one another, shares what's happening, listens to their ideas, and creates simple opportunities to connect.

However you'd like to be involved, there's a place for you at Delton. Come join us, meet some great people, and help us keep building a community where everyone feels welcome.

## Get Involved Today

Your time, talents, and ideas are what make Delton come alive!

Want to get involved? We'd love to have you! There are so many ways to help at Delton, from volunteering at an event or bingo to making popcorn, painting faces, helping with setup, or sharing a skill.

Whether you have an hour or want to help more often, every little bit makes a difference. Have an idea for Delton? We'd love to hear it!
